About Us

At eVoteX, we are on a mission to revolutionize the electoral process in Malaysia, making it more accessible, secure, and efficient. Our platform is designed to empower voters, candidates, and election organizers

Project Idea

A customizable electronic voting system offers the benefit of adaptability to support various election scenarios at multiple levels, while providing a common foundation of transparency, accuracy, security and cost efficiency

Voters Features

As a voter on eVoteX, you hold the key to shaping the future. Register easily, verify your identity securely, and cast your vote with confidence. Experience the convenience of participating in the democratic process from the comfort of your home, ensuring that your voice is heard loud and clear.

Candidates Features

Candidates can register through the system, providing necessary information for exposure and inclusion in the electoral process.

Admin Panel

Behind the scenes, our admin panel provides election organizers with the tools to orchestrate a smooth and transparent electoral process. Manage voter registrations, monitor real-time results, and ensure the integrity of the election. The admin panel is the control center for a fair and efficient democratic experience.

At eVoteX, we believe in the power of technology to enhance democracy. Join us in this journey to create a more inclusive, efficient, and transparent electoral system. Explore our platform, register to vote, or embark on your political journey as a candidate. Together, let's shape the future of democracy!
